Welcome to the ROCKLOG website («Site»). All use of this Site is subject to the following terms and conditions («Terms of Use»). By accessing and browsing this Site, you agree to be bound by these Terms of Use.

ROCKLOG Service Agreement

NOTE: This document represents an exact copy of the SERVICE AGREEMENT as it appears when you launch the application. It is posted here as a reference and/or for your review prior to accepting the Terms of Use.

This Services Agreement («Agreement») governs the provision by ROCKLOG and the access and use by you, its customer («you» or «Customer») of ROCKLOG's Logistics Software («Application») as a Service («Service» or «Services») via the Site.

Note: ROCKLOG is a software hub, which belongs to Rocklog GmbH (Ltd. liab. Co.) Switzerland.

BY CLICKING ON «I ACCEPT» BELOW OR OTHERWISE, YOU ACKNOWLEDGE HAVING REVIEWED AND ACCEPTED THE FOLLOWING TERMS AND CONDITIONS. IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS, YOU SHOULD NOT BEGIN USE OF YOUR ACCOUNT OR ROCKLOG'S SERVICES, AND YOU SHOULD IMMEDIATELY NOTIFY ROCKLOG.

Application

You will be required to start the Application by using the provided URL on your computer and select the data you wish to upload as master data («Master Data»); thereafter, the container will automatically deploy the Master Data in order to make the Application ready for operation. Operating the Application, you will generate operational data («Operational Data») in addition to the Master Data. Master Data and Operational Data together shall be defined as «Data».

ROCKLOG Editions

ROCKLOG offers one Edition for all customers. The provided Edition includes full functionality as specified at <https://rocklog.ch>.

The pricing, as specified at <https://rocklog.ch>, distinguishes 3 different license bundles (Basic, Medium & Enterprise).

Data Protection and Encryption

ROCKLOG understands the critical importance of security and privacy and has taken technically reasonable and or organizational measures to protect your Data, which is stored in «containers» assigned separately to each registered user of the Application on servers accessible via the Internet («Cloud Storage») and may only be accessed in justified cases in line with applicable laws. When you register for the use of the Services we will provide credentials («email») and private encrypted password («password»). Your credentials are required to access your Data in a readable format.

Privacy

Your privacy is important to us and we want you to feel comfortable visiting our Site to use the Application. We take care to protect your personal data collected, processed and used during visits to the Site and use of the Application. If you do not agree to our Privacy Policy, do not proceed using the Site and Application. You agree and understand that we will use the Data provided by you for

- the purpose of technical administration, research & development as well as use and enhancement of the functionalities of the Site and Application,
- the anonymized calculation of operating and performance figures,
- the anonymized comparison of the performance and establishment of rankings,
- customer and user administration and marketing, and
- such purposes as otherwise specified.

Please review our Privacy Policy at <https://rocklog.ch>, which also governs your use of the Services the purposes for which we may collect, share or disclose Data and your visit to the Site, and is incorporated herein by reference, to understand our practices.

Sharing of Operational Data

As part of the functionality of our Services, you will be able to share your Operational Data with others («Sharing Function») subject to the terms of this Agreement. Notwithstanding the foregoing, you agree and understand that the Sharing Function is meant for your personal use only and is not intended for widespread dissemination of your Operational Data.

ROCKLOG reserves the right to monitor general system usage and performance to identify excessive use of the Sharing Function. The Sharing Function may be deemed excessive if the network traffic greatly exceeds the average usage of the services by customers generally. This safeguard is in place to protect against enormous use of ROCKLOG Share Rooms as massive content distribution channels.

Terms of Application

You agree that ROCKLOG reserves the right in its sole discretion to establish general operating practices and procedures to maximize the operation and availability of the Application for the greatest benefit of its customers.

If, in using the ROCKLOG application you are deemed to have violated the policies set forth in this Agreement, ROCKLOG reserves the right at its own discretion to freeze, cancel and/or purge your account with or without notice. By registering for the ROCKLOG application, you acknowledge and agree that your application may not be available at certain intervals in order for ROCKLOG to perform performance maintenance on its servers, or other reasons beyond the control of ROCKLOG.

You may at any point upgrade to any ROCKLOG license bundle. If, in using a ROCKLOG licence you are deemed to have violated the policies set forth above in this Agreement, ROCKLOG reserves the right at its own discretion to freeze your account immediately, and shall provide you with written notice via email of your violation so that you may respond to such determination within thirty (30) days. If no response is received by ROCKLOG within thirty (30) days of sending you notice of the violation, ROCKLOG reserves the right to cancel your membership. Upon deciding to cancel your membership pursuant to this Section, ROCKLOG shall provide you with written notice via email of such cancellation and shall continue to store your Data for a period of sixty (60) days from the date notice of cancellation is sent, after which time your Data shall be purged from the system.

Where appropriate, ROCKLOG may suspend at its own discretion repeat infringers of copyright law, and in more serious cases, permanently terminate user accounts.

You may terminate the Application at any time, subject to the regular notice period of one hundred and eighty (180) days to the end of the month.

In order to access the Application, you must complete the registration process and obtain your credentials. In connection with your registration, you agree to: (a) provide true, accurate, current and complete information about yourself as prompted by the registration form; and (b) maintain and promptly update such information to keep it true, accurate, current and complete. If you provide any information that is untrue, inaccurate, not current or incomplete, ROCKLOG has the right to suspend or terminate your account and refuse any and all current and future use of the Application. In addition, ROCKLOG reserves the right to deny registration to any customer it deems inappropriate to use the Application. You may not register for the Application if you are under 14 years of age. By registering for the Application, you represent to ROCKLOG that you are 14 years of age or older, and hereby agree to be legally bound by this Agreement (or, if you are under the age of majority in your state (usually 18), you represent that your parent or legal guardian is hereby agreeing on your behalf to be legally bound by this Agreement).

You are solely responsible for maintaining the strict confidentiality of your Email/Username and Password and for any charges, costs, expenses, damages, liabilities and losses, you or

ROCKLOG may suffer as a result of your failure to do so. You agree to immediately notify ROCKLOG of any unauthorized use of your account or any other breach of security. You may not use anyone else's account, at any time, without the permission of the account holder.

Payment; Renewal Notices

To the extent applicable, all payments shall be made in Swiss Francs or Euros by credit card or invoice and are non-refundable. Payments are due upon account activation and future renewal dates. The Application will not be activated until payment is received. The renewal of the Application for any renewal period will not be provided unless and until ROCKLOG has received payment for such renewal period. Renewal payments shall be automatically charged to your credit card and your account shall automatically renew unless you provide ROCKLOG with notice of termination pursuant to the terms set forth below. Notwithstanding the foregoing, should payment in full of any amount owed to ROCKLOG under this Agreement not be received by ROCKLOG within thirty (30) days after such payment has become due, such amounts will thereafter bear interest at the rate of 1.5% per month, or the maximum rate permitted by applicable law, whichever is less. If any payment due ROCKLOG is collected at law or through an attorney at law or under advice therefrom or through a collection agency, you agree to pay all costs of collection, including, without limitation, all court costs and reasonable attorneys' fees.
